FILM FORMING COATING COMPOSITION CONTAINING SURFACE TREATED BARIUM SULFATE, AND METHODS OF USE

(Title of Invention)

the specification of which:

| <u>■</u> is | attached | hereto, o | r |
|-------------|----------|-----------|---|
|-------------|----------|-----------|---|

was filed by an authorized person on my behalf on \_\_\_\_ as United States Application Number \_\_\_\_, and was amended on \_\_\_\_ (if applicable).

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment specifically referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in Title 37, Code of Federal Regulations, '1.56.

I hereby claim foreign priority benefits under Title 35, United States Code, '119(a)-(d) or '365(b) of any foreign application(s) for patent or inventor's certificate, or '365(a) of any PCT international application which designated at least one country other than the United States of America, listed below, and I have also identified below, by checking the box, any foreign application for patent or inventor's certificate, or any PCT international application, on this invention filed by me or my legal representatives or assigns and having a filing date before that of the application on which priority is claimed:

| Prior Foreign Application Number(s) | Country | Foreign<br><u>Filing Date</u> | Priority<br>Not Claimed |
|-------------------------------------|---------|-------------------------------|-------------------------|
| none                                |         |                               |                         |
|                                     |         |                               |                         |
|                                     |         |                               | П                       |

 Additional foreign application numbers are listed on a supplemental priority data sheet attached hereto.

I hereby claim the benefit under Title 35, United States Code, '119(e) of any United States provisional application(s) listed below:

| Provisional Application | Provisional Application |
|-------------------------|-------------------------|
| Number(s)               | Filing Date             |

Additional provisional application numbers are listed on a supplemental priority data sheet attached hereto.

I hereby claim the benefit under Title 35, United States Code, '120, of any prior United States application(s), or under '365(c) of any PCT international application(s) designating the United States of America, listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States or PCT international application(s) in the manner provided by the first paragraph of Title 35, United States Code, '112, I acknowledge the duty to disclose all information known by me to be material to patentability as defined in Title 37, Code of Federal Regulations, '1.56, which became available between the filing date of the prior application(s) and the national or PCT international filing date of this application:

|                                      | Prior PCT                        | Filing Date of U.S. or PCT |                               |
|--------------------------------------|----------------------------------|----------------------------|-------------------------------|
| Prior U.S. <u>Application Number</u> | International Application Number | International Application  | Patent Number (if applicable) |
| none                                 |                                  |                            |                               |

Additional U.S. or PCT international application numbers are listed on a supplemental priority data sheet attached hereto. As a named inventor, I hereby appoint the following attorneys: Carlos Nieves (Reg. No. 25,042), David Goodrich (Reg. No. 42,592), and Ramon R. Hoch (Reg. No. 34,108), the practitioners, with full power of substitution and revocation, to prosecute this application and to transact all business in the United States Patent and Trademark Office connected therewith, and request that all correspondence and telephone calls in respect to this application be directed to J.M. Huber Corporation, 333 Thornall Street, Edison, New Jersey 08837, Telephone No. (732) 603-3688, Facsimile No. (732) 603-8730.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made herein on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity or enforceability of the application or any patent issued thereon.
